Wisconsin State Senate District 7

## **Milwaukee Co. Supervisor Marina Dimitrijevic endorses Larson for Senate**

"Endorses in Democratic Primary fight because of his energy and strong solutions"

For immediate release: Monday, June 28th, 2010

Contact: Brennan Balestrieri, 414-217-2312

Milwaukee -- Marina Dimitrijevic, Milwaukee County Supervisor for the 4th District, announced a strong endorsement of fellow Supervisor Chris Larson. Larson is running in the Democratic Primary race for the State Senate seat covering much of Dimitrijevic's district. She also announced a fundraiser at her home today, June 28th 2010.

"As Chris' colleague on the County Board, I've come to know him as a true leader, and a strong partner in fighting for our neighborhoods," said Dimitrijevic. "The lack of representation for our district in Madison is apparent to many Democrats. Almost any key issue is lacking a voice: the environment, green collar jobs, and action on developing transit. This is why it is with full confidence that I am supporting Chris Larson in his run for State Senate. Chris has fought hard to revitalize the Hoan Bridge with me, and keep this community in-step with other major metro-areas by ushering in modern transit. He serves Southeast Wisconsin faithfully, and I hope my community joins me in supporting him on September 14th."

Supervisor Larson educated and won over County-wide voters in his first year in office, passing a referendum that pushed for a revamped regional transit system and preserved vital parks funding. This referendum also included a long-term County budget solution with needed property tax relief. Chris Larson is a life-long resident of Milwaukee County, graduate of Thomas More and UW-Milwaukee, and was elected Milwaukee County Supervisor in 2008. He is running for State Senate in the 7th Senate District, which includes Milwaukee's east side, 3rd Ward, Bay View, St. Francis, Cudahy, South Milwaukee, and Oak Creek.
